**GOING DOWN SOUTH** – PBR Unleash The Beast heads down south after a weekend in Wisconsin to Tampa, Florida to take in the rays for the first time in the city since 2012 and the sixth event of the 2026 Unleash The Beast season. The action begins Friday night at 8 p.m. ET with the first round, followed by round two and the Championship Round on Saturday night, starting at 8 p.m. ET as all the action is available on Paramount+ at 8 p.m. ET both nights.

**SECOND ROUND OF CUTS LOOMING** – After New York (Jan. 9-11), the first rider cut of the season was made when the Top 5 riders in the Pendleton Whisky Velocity Tour replaced the bottom five riders from the premier tour. Tampa will be the next event to have a cut upon its conclusion while some riders will see their guaranteed spots for four events come to an end, needing rides to continue their season on the UTB.

**Dalton Kasel** – Kasel became the first repeat winner of the season after taking home another win in Milwaukee with a 92.55-point outing aboard Lights Out on Championship Saturday. He previously won the season-opener in Manchester where he took the UTB standings lead, which he relinquished after Chicago the following weekend. His second victory has propelled him up to second in the standings, just two points behind first.

**Julio Cesar Marques** – Marques became the fourth different cowboy to take over the lead of the 2026 UTB standings following a runner-up finish in New York City. He's since held that position with 279 points, just two points ahead of Kasel. His consistency has helped him maintain that spot with two runner-up marks, one fourth, and once finishing in 12th.

**Sage Steele Kimzey** – Coming into New York City for the media advance then winning at Madison Square Garden in front of a sellout crowd, the Oklahoma cowboy added another belt buckle to the trophy case after going 4-for-4 including two 90-point rides, the final a walk-off winning score. Kimzey chases his first PBR World Championship as the No. 4 rider in the world after Milwaukee.

**Koltin Hevalow** – Hevalow moved his way up to 12th in the standings following a runner-up performance in Milwaukee to earn 93 points for the UTB standings. He came just shy of the event buckle by 1.10 points behind Dalton Kasel and aims to get his first win this weekend in Tampa.

**MONSTER ENERGY TEAM CHALLENGE REMAINS IN FULL EFFECT** - The Monster Energy Team Challenge is being contested throughout the PBR Unleash The Beast (UTB) season, bringing a new layer of competition and added intensity to select UTB events. During 10 Unleash The Beast events, teams compete in two head-to-head games per event, featuring 4-on-4 matchups for a total of 16 outs per event. .

In Tampa on Friday night, the Oklahoma Wildcatters will face the Missouri Thunder and in the night cap, the Texas Rattlers go up against the home state Florida Freedom.

The teams, which will compete in the fifth season of the PBR Teams league from July - November, will accumulate wins and losses throughout the 10 Monster Energy Team Challenge events with the top four teams advancing to the METC Championship Tournament. The final four format in all three locations will feature one 7 x 7 head-to-head matchup per game (14 total outs).

The championship tournament will span three Unleash The Beast events during the stretch run of individual competition – Albuquerque (March 27), Billings (April 17), and the UTB regular season finale in Tacoma on April 24 – when the remaining teams will battle in head-to-head 7 x 7 games in an elimination format to determine the inaugural Monster Energy Team Challenge champion.

**MORE PRECISE JUDGING AND SCORING** – PBR has introduced a refined judging system for the 2026 season, shifting to tenth-point (.1) scoring for both riders and bulls to preserve the traditional structure while allowing judges to capture subtle performance differences that were previously obscured under the half-point model. A two-year study of more than 15,500 top-level rides showed that elite bulls deliver remarkably similar performances – 96% of bull scores over 19 fell between 20.0 and 22.0, and 81% cluster tightly between 20.5 and 21.5 –effectively limiting judges to just a few scoring “buckets.” The new increments let judges distinguish more precisely, such as scoring a bull 21.2 instead of being forced into 21.0 or 21.5, with the same nuance applied to rider dominance, control, and spurring. While ties may still occur, they should be far less common, and a built-in variance cap ensures a rider’s score cannot exceed the bull’s by more than 3.0 points, maintaining balance between components. Because judges already evaluate in tenths informally, making .1 increments official aligns scoring with real practice, delivering greater accuracy, transparency, and fairness for fans, riders, and coaches as PBR enters 2026.

**2026 PBR POINTS SYSTEMS** – The 2026 PBR Unleash The Beast (UTB) season enters its sixth week of action in Tampa, Florida keeping the same elite tour point structure as 2025 but re-adding PBR Majors. The 2026 World Champion will be the rider who earns the most Unleash The Beast points. Points accumulated in non-UTB events domestically, as well as PBR’s international tours, will be tallied as Velocity Global points. Velocity Global points, which will also be used to crown the 2026 PBR Pendleton Whisky Velocity Tour Champion, will help determine the athletes who can earn a future draw spot on the elite Unleash The Beast following the tour’s first four events.

Those with the most points in the Velocity Global standings will join the UTB, replacing riders who fall to the bottom of the pack during select cuts throughout the season. The first rider cut takes place after the fourth UTB event in New York City, New York, on Jan. 9-11. Riders ranked in the No. 36-40 range in the UTB standings will be subject to being cut. During each cut, the open positions will first be filled with those riders having injury exemptions, followed by the leaders in the Velocity Global standings. Following the first cut, these riders will take the place of the demoted riders in the sport’s top series to make up the 40-rider field heading into Milwaukee, Wisconsin, on Jan. 16-17. Riders ranked No. 1-35 on the UTB will remain on the PBR’s elite tour. Following the initial cut, subsequent cuts will be held every two weeks. The second cut will drop the bottom six riders from UTB, the third cut will drop the bottom seven riders, and the fourth and remaining cuts will remove the bottom eight riders from UTB. If a rider is offered an invite to the UTB but declines, he will forgo any future UTB invites off the Velocity Global standings for the remainder of the season but is eligible to compete in the World Finals if he qualifies through the Velocity Tour.

Points will be awarded as follows for Unleash The Beast, including World Finals, as well as PBR Majors:

Bonus points are awarded across all levels of PBR competition. A rider who scores 70-79.95 points will earn 7 bonus points, 80-89.95 8 bonus points and 90-99.95 9 bonus points. The exception is if a contestant declines a re-ride due to an inferior bull. In that case, he does not earn bonus points.

**SURVIVING THE CUT** – Tampa is the second event after the cut as the Unleash The Beast (UTB) season enters midseason form. Ahead of New York City, riders qualified based upon a number of criteria; however, after the first four events, the bottom five riders were cut from the premier tour as the top five riders of the Pendleton Whisky Velocity Tour received invitations to the tour.

The field for the first four events was determined via a combination of factors, including a rider's performance in the PBR Teams League, which concluded its fourth season in late October. The riders who met the initial criteria but were unable to compete in the first four events due to medical reasons, excused absences, and other factors are still invited to compete in their four qualified events.

After Tampa, riders will once again look to reside in the Top 35 as there will be the second cut of the season before heading west to Sacramento.

**FAMILIAR TERRITORY** – Round 1 of the 2026 PBR Tampa in Tampa will feature four rematches.

- Brady Fielder seeks to remain perfect atop Josey Wales after besting the bovine for 84.75 points during Maverick Days in the 2025 Teams season.
- Dalton Kasel and Nightmare have seen each other twice with one win apiece. Kasel earned an 89-point ride in Indianapolis in 2025 when the duo last met.
- Grayson Cole and Diablo will meet for the first time on the premier series, last taking each other on in April 2025 in the touring Pro Division for a 1.73-second buckoff.
- Kaique Pacheco aims to ride Rocket Man for the first time after being thrown off in 5.43 seconds in New York City earlier this season.

**PAST TAMPA EVENT WINNERS** – PBR is returning to Tampa for the first time in 13 years with a lot of new talent along the tour. When there in 2012, the 2008 World Champion Guilherme Marchi took home the buckle with a perfect 3-for-3 performance. Marchi bested 10 Penny for 85.25 points in the opening round and Ropin Dreams for 85.75 points in the next to qualify for the Championship Round. Once there, he and Strokin combined for 87 points to life the World Champion on top.

**WORLD CHAMPION BULL UPDATE** – The 2026 YETI PBR World Champion Bull will be determined by both the 2025 PBR Teams league season and the 2026 Unleash The Beast season. The 2026 World Champion Bull will be determined by their Top 8 outs during the Teams season and UTB regular seasons and two outs at the PBR World Finals. The Top 7 eligible bulls at

the end of a PBR UTB regular season shall be entered into the World Finals and be guaranteed three outs. In the event two or more bulls are tied based on the scoring criteria after the World Finals, the World Champion Bull shall be awarded to the bull who has achieved the highest average score from their two best outs at the World Finals. If a tie still exists after a review of the scores described, the bulls will share the title of World Champion Bull and the prize money will be evenly distributed among the stock contractors who own said bulls.

For avoidance of doubt, if the score that is dropped from the World Finals is higher than the lowest regular season out, the score at World Finals will still be dropped. The top eight (8) regular season outs, and top two (2) World Finals outs are to remain in the calculations for the World Champion Bucking Bull Award.

**THIS WEEKEND'S FORMAT** –PBR Tampa, the sixth Unleash The Beast event of the 2026 season and second after the season's first cut, will feature three rounds of bull riding. The 12 bull riders with the top combined ride scores following Rounds 1-2 will then advance to the championship round following Round 2 on Saturday.

**VELOCITY TOUR, INTERNATIONAL AND TOURING PRO DIVISION POINTS** – All non-Unleash The Beast (UTB) events award Velocity Global points, including Pendleton Whisky Velocity Tour events, Touring Pro Division events and events held internationally in Australia, Brazil, Canada, and Mexico. The only exception is National Finals held abroad, which will only award national points, not Velocity Global points. The point system at each event is tiered based on added money in USD, and other factors determined by the PBR. Each event, depending on the tier, will get points in accordance with the tables below.

- Tier 1 Events – \$20,000 or more USD in added money.
- Tier 2 Events – \$10,000 - \$19,999 USD in added money.
- Tier 3 Events – \$9,999 USD or less in added money.

Bonus points are awarded across all levels of PBR competition. A rider who scores 70-79.95 points will earn 7 bonus points, 80-89.95 8 bonus points and 90-99.95 9 bonus points. The exception is if a contestant declines a re-ride due to an inferior bull. In that case, he does not earn bonus points.
